## Chinese Blocks

This 32 block set reveals an debossed Mandarin Chinese character representing the word for an animal. On its opposing side, find the same character paired with its English translation. See a handcrafted picture of the animal on yet another side. Also featured: a stroke grid, Mandarin/English numbers; plus a bold Chinoiserie design.

- 100% Made in the USA
- Handcrafted from sustainable Michigan basswood
- Non-toxic, mouth safe inks
- 32 - 1.75" cubes (44mm)
- Ages 2+

## French Blocks

Expand your knowledge of the French language with this 28 block set. Enjoy the embossed fleur-de-lis filigree. This stylized detail surrounds two capital letters on opposing sides of each block. Two other sides show one number and one animal paired with their French translations. Two more handcrafted capital letters make four complete alphabets.

- 100% Made in the USA
- Handcrafted from sustainable Michigan basswood
- Non-toxic, mouth safe inks
- 28 - 1.75" cubes (44mm)
- Ages 2+

## Japanese Blocks

Expand your knowledge of Japan and the Japanese language. This 32 block handcrafted set features Japanese language symbols. Enjoy the animal pictures paired with their English and Japanese translations. Savor the two debossed sides per block. Delight in the colorful geometric rendition of a field of chrysanthemums.

- 100% Made in the USA
- Handcrafted from sustainable Michigan basswood
